EMT

Sorry if we woke you in the middle of the night
But someone in your neighborhood is fighting for his
Life.

Sorry if we block the road and make you turn around,
But there's been a bad wreck with children dying on the
Ground.

When you see us coming, we hope you'll understand,
Let us have the right-of-way . . . someone needs our helping
Hand.

Sometimes a child is choking, sometimes a broken leg,
Sometimes a heart stops beating, and when we get there, it's too
Late.

So if you see us crying when we think that we're alone
You'll know we had a "bad" one and we're feeling mighty
Down.

We don't do it for the money . . . you know we don't get paid,
We don't do it for the glory, but for a life that might be
Saved.

Somewhere deep within us, our souls are crying out.
"We're here to help our neighbors in their hour of pain and
Doubt."

God gave us something special to help us see you through.
We do it cause we love you, and we care about you
Too.

EVERYDAYHEROES

*We would like to
extend our appreciation
to all the
"Hometown Heroes"
in our communities
for their tireless efforts
in keeping us safe*

COURAGE UNDER FIRE

Join us as we salute our local firefighters

Without hesitation, the brave men and women of our fire departments often risk their own lives and safety to save the lives of others. For their selflessness and bravery, we salute them. Their call of duty extends beyond the difficult task of protecting us from ferocious fires; they are also among the first on the scene anytime someone dials 911. From providing life-saving first-aid care to life-saving rescues, our firefighters are always at the ready. During Fire Prevention Week, stop for a moment and thank our firefighters for their courage and dedication to protecting our communities.
