The next highest medalist was sophomore, Tyler Helgeson (above left), who also placed for the second straight year. Helgeson placed sixth at 120 lbs. and has a chance to become the only Lake Mills wrestler in history to: 1. qualify for state all four years; and, 2. place at state all four years.

The team's final place winner was freshman, Jack Ramaker (above right), who finished seventh at 106 lbs. Ramaker joins Helgeson as the only two freshmen to place at state.

Three make podium

This was only the fifth time in school history three or more wrestlers placed at a state tournament, joining groups from 1990, 1998, 2000, and 2017.

The top finisher for the tournament was senior, Gabe Irons (right). Irons placed for the second straight season by getting third at 195 lbs.

Congratulations, Bulldogs!
